

Applications

- Hydroponics
 - Golf Course Greens
 - Potting Mixes
 - Cut Flowers
 - Propagating
 - Re-Planting
 - Mushroom Farming
-
- Bonsai Mixes
 - Turf Farming
 - Garden Beds
 - Bedding Medium for Earth Worms
 - Vegetable Gardens
 - Rose Cultivation and General Garden Uses

Advantages

- Potting Mixes
 - Excellent Air Porosity
 - Excellent Water Retention
-
- Irrigation Efficiency
 - Faster Germination Time & Quicker Seedling Rotations
 - Environmentally preferable to the alternatives
